Square Peg Society is inviting you to a Zoom meeting.

We are very happy to welcome, from Asperger/Autism Network (AANE) in Boston, Massachusetts, two speakers for our April & May meetings.

Details of our April meeting below:

Adult Sibling Relationships

Relationships between ASD family members and their siblings are often complicated and stressful for all family members. Dania Jekel, Founder & Executive Director of AANE will share her insight into the dynamics of these relationships.

Dania has been at the helm of AANE since its inception 25 years ago. Since its humble beginnings, Dania & her team have developed AANE into an organization with locations in Boston, New York, and California, which attracts ASD individuals, their families, educators & service providers from across the US and beyond.

Now, about to retire in October 2021, Dania will present to us her observations of Adult Sibling Relationships, and suggest some strategies for improving them.
