A Zoom Meeting

Friday, November 19, 10:30am PT

Square Peg Society is inviting you to a Zoom meeting.

Meeting Topic: Launch + Skills

Shane Lynch is our second speaker this season from the **Sinneave Family Foundation** in Calgary. Shane holds a PhD in Special Education, is a Registered Psychologist, and the Director of Professional Practice & Education at the Sinneave Family Foundation.

Shane will be presenting Sinneave's skills coaching program - Launch + Skills (L + S). On their website, <https://sinneavefoundation.org/thriving-in-adulthood/launch-skills/>, L + S is described as follows:

“Launch + Skills is an individualized skills coaching program designed to help autistic individuals who are motivated and ready to pursue goals in Employment, Education, or Living Independently in the community. Whether you are a teenager transitioning to adulthood, or you are already an adult, L+S was developed as an intensive program to help you learn the skills needed for success.”

Shane will tell us about how the program is delivered, the coaches employed in the program, the cost & duration of the program, and most importantly, how it benefits young adults transitioning to adult living.
