

SQUARE PEG SOCIETY

Independence & Inclusion For ASD Adults

A Monthly online conversation group for ASD adults, 18+ years old

Different threads woven together can make a whole, strong cloth.

Many autistic people have spent much of their lives feeling “different”. This group is an opportunity to explore & build common bonds. It is an evening to share our past experiences & present realities – similar or different, and to celebrate our uniqueness together as we build strength & resilience for our futures.

Hosted by Julia Mitchell,
ASD adult, empathetic listener &
curious about autism & autistic
people.

Join us to share your ideas about
the topics you want to explore in
our monthly gatherings.

Thurs, March 17, 7:00pm. To
register please [click here](#) and click
on the “Going” button.
