

# TAKING THE LEAP!

## Finding Success in Further Education after High School

**September 13, 2022**

**Online - 6:30 - 8:00 p.m. MST**

### About the Workshop

In this presentation, participants will learn the key differences between high school and further education settings to help them succeed after high school ends. Learning how supports, expectations and non-academic skills differ will help participants discover and prepare for further education. This presentation will focus on how to explore interests, navigate program options, access supports and create goals. High school graduates, those enrolled in further education, parents, and teachers will all benefit from this webinar.

### About the Presenter

Jay Haukenfrers is the Learning and Connection Coordinator at The Sinneave Family Foundation. She worked with vulnerable populations for almost 10 years and was the Inclusive Post-Secondary Coordinator at Olds College in Olds, Alberta where she implemented the Inclusion Alberta Initiative. She is looking forward to sharing her experience in the post-secondary space.
